RELEASE FROM LIABILITY AND CONSENT TO DRUG TEST

IMPORTANT: READ THIS RELEASE CAREFULLY. WHEN YOU SIGN IT YOU WILL BE GIVING UP IMPORTANT LEGAL RIGHTS.

In consideration of the acceptance of my entry in this Powerlifting competition I intend to be legally bound, for not only myself but also for my heirs, my executors, and my administrators. In signing this release from liability I waive and release everyone connected with competition from any and all liability, including any results of negligence which may arise from this competition.

Moreover I agree that any testing method which the meet director and the sponsors of this meet use to detect the presence of strength-inducing drugs SHALL BE CONCLUSIVE. That is, whether I think results of the tests are right or wrong I agree that I have no right to challenge the results of the drug tests. I further agree to submit to any physical tests, which may be necessary to complete drug testing. Should I fail to pass drug tests I agree to forfeit any trophy or award which I otherwise have won. I understand and agree that if I fail to pass the drug tests, my name will appear on a published list of suspended members; if it is determined that I have failed the drug test, I agree to waive any claim for which legal relief is available.

I agree to pay any attorney fee and litigation expenses incurred by any person, real or corporate, whom I may sue in an effort to challenge this Release from Liability form. I understand that my agreement to pay attorney fees and litigation expenses is the Sine Qua Non for the acceptance of my entry in this contest. If any provision of this release form liability shall be deemed by a court of competent jurisdiction to be invalid, the remainder of this Release of Liability shall remain in full force and effect. I also certify with my signature that this release/agreement cannot be modified orally.

Certification

I hereby give my word of honor as an athlete that I have not used any strength inducing drugs (i.e. any anabolic steroid, natural hormone or synthetic growth hormone) as part of my training during the past thirty six months, nor have I used prescription diuretics or psychomotor stimulants during the seven days prior to this meet.
